

***SEASONS GREETINGS FROM GENESIS***  
*Feliz Navidad and Feliz Año Nuevo*

What better time of year to send our heartfelt thanks to all of you who have given of your time, talents, financial gifts, and prayers to support Genesis in our mission helping the 4000 orphanage Ninos (children) of Baja California, Mexico & the 825 youth / adults (we call Amigos meaning friends) of North America that volunteered with Genesis to serve in Christ's name!

What a fantastic 2005!! -- Because of your support, Genesis Diez was able to:

- ❖ Provide 40 wonderful educational days during the "Fall and Winter program" either at Rancho Genesis or at specific orphanages, with over 365 orphans attending
- ❖ Send over 650 orphanage / shelter children to attend the "Amigo / Nino program" week-long spring & summer camps at Rancho Genesis
- ❖ Host two big annual event programs, one co-sponsored with Fox studios called "Day of the Children" with over 350 children for a day of movie making wonderment at Foxploration Baja. Our second, "Vivan Los Niños 2005" was held in Ensenada with over 150 children where they attended a University Theatre production about friendship, followed with an afternoon at a local park for lunch, painting about the play and many other educational / fun activities
- ❖ Co-sponsor with DIF, the Mexican social services, a six-week "Parental and Childcare program" for orphanage staff and surrounding community
- ❖ Receive from our "Genesis Orphanage / Shelter program" & our "Amigo & Nino program" donated clothing, food, cars, bus, materials and toys worth \$60,000 given to support Genesis Diez and provide for the orphans
- ❖ Care for and facilitate the volunteer work of 4 couples and 4 individuals whom are called by God to directly help the Orphans / Amigos thru our "Helping Hands program"

May the wonderful memories and the love felt by these precious children now be returned to you for all that you have done to help Genesis make these things possible. We commend you, Dear Friends, to our Father God, asking Him to keep you safe in soul and body, and to be present in your hearts as a Spirit of power, joy and peace; through Jesus Christ our Lord, whose birth we celebrate.

With gratitude,

Greg & Patti and Ken & Doris Amstutz
